

Do you know your ribbons?

©iStockphoto.com/sgame

Ever get confused on the cancer ribbon colors? I believe we all do. We decided to do a little research for the convenience of our readers. Those listed below are the colors we chose to display.

breast

healingribbons.com

colon

imprintmall.com/ccalliance

leukemia

generousgems.com

lymphoma

thehodgeshop.com

lung

roycastle.org

melanoma

tustison.com

ovarian

theribbonlady.com

prostate

pcaawareness.net

The websites noted above are for the purchase of cancer ribbons and similar products.
