Makeovers

Name: Jayna Sosland
Hometown: Dallas, Texas
Position: Telephone Triage Nurse
Years as an Oncology Nurse: 20

Jayna received dimensional highlights that enhance her naturally curly, dark brunette hair. The cut was a shorter more layered and textured look. Shades of copper and taupe were used to accentuate her eyes. Hair and makeup designers put together an amazing look for this hardworking triage nurse.

A couple of deserving nurses in TEXAS received dream makeovers. Check out the amazing results!

Name: Melissa Ballard
Hometown: Ft. Worth, Texas
Position: Oncology nurse in a hospital based outpatient clinic
Years as an Oncology Nurse: 4

Melissa received color with design placement highlights with a warm light brown overlay from hair and makeup designers. Her cut and style was designed to bring out texture and softness. Soft, shimmery make-up gives this amazing nurse a natural, but up-to-date look.
